Cookie Policy.

Last Updated: September 26, 2024.

This Service uses cookies. Cookies are small pieces of data that a website requests from the browser on your computer or mobile device. Cookies reflect your preferences or actions on the website. Cookies are stored locally on your computer or mobile device and remain there with your consent. By continuing to use this website, you consent to the processing of your cookies. You have the option to limit the set of cookies stored on your computer by adjusting your browser settings. Please note that this may affect the quality of the website's performance. If you block all cookies (including essential ones), you will see a corresponding warning message. Please be aware that deleting all cookies from your browser will also remove any cookies you have previously stored at your discretion, such as those you have previously consented to. This Service uses cookies, including those obtained through Yandex Metrica and YouTube resources.

Types of Cookies used:

Session cookies: Exist only in temporary memory while the user is on the website page. Browsers usually delete session cookies after you close the website window. Session cookies allow the website to remember information about your choices on the previous page to avoid the need to re-enter information.

Persistent cookies: Stored on your computer and are not deleted when you close the browser. Persistent cookies can save user settings for a particular website, allowing these preferences to be used in future browsing sessions. Such cookies indirectly identify you as a unique user of the website and, upon returning to the website, help recall information about you and previously taken actions. You can opt out of the processing of such cookies in your browser settings.

Third-party cookies: A number of third parties may also use cookies on our website. These third parties may include, for example, web traffic analytics services, retargeting systems, or partners. We have no control over and are not responsible for this type of cookie, so we recommend that you review the privacy policy of each website you visit when leaving our site for another resource. You can opt out of the processing of such cookies in your browser settings.

List of cookies we use and their purpose:

- Yandex Metrica cookies (__ym_uid, __ym_d, __ym_ucs*, etc.) collect data on how visitors use our website. This information is necessary to improve the site's performance. All data is collected anonymously. The Yandex Metrica service uses cookies to analyze your actions and generate reports on your use of our site. Yandex does not match your IP address with data stored on your device. By using this site, you consent to the processing of your data by Yandex Metrica in the manner described and for the purposes stated above. Information on how to block or delete cookies in your browser can be found at: <https://yandex.ru/support/metrica/general/cookie-usage.html>;
- Cookie consent cookie (pview): A file that remembers whether you have received the message about cookie usage rules.

Cookies are limited to each service individually. More details can be found on the service's website: <https://yandex.ru/support/metrica/general/cookie-usage.html>
pview cookies (stored for 1 year).
